ADVOCATE

This results-driven ministry is the **most successful pro-life agency** in the US. The WCC method is the answer to our country's most taxing question. Help us spread the word! **Schedule a tour** with friends or invite a speaker to your church group. stephen@supportwcc.org

DONATE MONTHLY

It costs about **\$83** to provide 1 life-saving **ultrasound and counseling** appointment for a mom. So, for \$83 (less than 1 Starbucks coffee a day) you could bless one mom and baby a month.

YOUR GIFT, OF ANY AMOUNT, IS **VITALLY NEEDED AND LIFE-SAVING.**
