Subject: Urgent Concern: Mary McAleese as Saint Mary's College, Notre Dame IN Commencement Speaker

Dear Bishop Rhoades,

I write with respect for your leadership but deep concern over Saint Mary's College selecting Mary McAleese as its 2025 commencement speaker and honorary degree recipient. Her public advocacy for abortion, same-sex marriage, and women's ordination directly contradicts Church teaching, making her an unsuitable choice for a Catholic institution. This decision risks scandal and further drift from the college's mission.

Your 2023 intervention stopped a misguided policy at Saint Mary's—proof of your authority and commitment. I insist you act now with equal resolve: direct President Conboy to rescind this invitation. Silence is not an option; the faithful expect you to defend our Church's integrity. Please respond swiftly—this is a critical moment for your diocese.

Yours in Christ,
